

### **Mechanism Adopted to Draw Up Action Plan**

- 1 The UAE distributed the voluntary commitments and recommendations to the relevant government bodies
- 2 The concerned entities coordinated with their relevant departments in reviewing and prescribing ways of implementing the voluntary commitments and recommendations
- 3 Ministries coordinated with the concerned bodies in order to chart out the following:
  - Set a timeframe to execute the Action Plan
  - Determine the activities to execute the Plan
  - Prepare towards submitting progress reports every six months to the UPR Committee
  - Devise a way of consulting and incorporating the views of NGOs and CSOs in executing the Plan.
- 4 Government department or ministry was advised to implement the voluntary commitments and recommendations under the supervision of the UPR Committee by adopting the following procedure:
  - Determine the scope of work
  - Follow-up action on the execution process
  - Submit a status report every six months on the work accomplished
- 5 Effort under way to establish a central database – monitored by the head of the UPR Committee – that will record the progress made on the voluntary commitments and recommendations
- 6 Six, government body will determine the course for the NGOs and CSOs to participate in the Action Plan
